# Should I learn Finnish?

- Are you interested in learning about the Finnish culture?
- Would you like to understand what happens around you?
- Would you like to communicate with local people – also outside the university?
- Is it possible that you stay longer than 5 months?

# Finnish as a second language

Language Centre offers courses in Finnish as a second language:

## EOTO - Language Centre

Each One Teach One, also known as EOTO, is a programme for you who want to get to know students from different countries and learn different languages. During this 3 ECTS-credit programme, students teach each other their mother tongues and learn the language of their partner.

Do you want to know more? Read on to learn about Each One Teach One!

- [Information about EOTO](#) tells you all you need to know about the programme.
- [Search ads](#) - Find a study partner here! Read other students' search ads or leave your own.

# Practical information

- You can find the timetables of the Finnish courses in the **leaflet or in Korppi.**
- **Register** for the courses in **Korppi.**
- **First meeting** is important to confirm your participation.
- Even if the course is full, register in Korppi and be present in the first meeting.

Learning the language of your environment is motivating, rewarding and even fun, but you also have to work for it and use the language in your everyday life.
